I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: The compounded prescriptions
that I use from Madison Pharmacy
have been wonderful for me. I am
very sensitive to medications & these
don't bother me at all.

Best of all, symptoms of
depression, sleeplessness & anxiety
have been greatly relieved.

I have no other source for
the prescription compounds that I am
using. Please do not take this source
away.
